

WHAT IS CLAIMED IS:

1. A photo album comprising a plurality of mounting sheets, and interleaves interposed between two mounting sheets, respectively, each mounting sheet being formed at  
5 either surface thereof with an adhesive layer for use in attachment of a photograph,

wherein the adhesive layer formed at the surface of the mounting sheet is positioned only on a region where the  
10 photograph will be attached.

2. The album as set forth in claim 1, wherein the mounting sheet formed with the adhesive layer is further formed with a pollutant hiding portion.

3. The album as set forth in claim 2, wherein the pollutant hiding portion includes a colored surface portion formed at a region where the adhesive layer is formed.

4. The album as set forth in any one of claims 1 to 3, wherein each of the interleaves is formed at both surfaces thereof with a silicone layer defined a plurality of protrusions.
